Comments: Zach and I could not have been happier with the Newsboyz performance at our wedding. We searched forever for a wedding band but couldn't find what we were looking for – a fun, exciting, affordable band that could play a variety of genres, interact with the crowd and overall just sound incredible. When we walked into Cool River to see the Newsboyz perform one weekend, after 2 songs, we knew they were the band for us. We loved their playlist selections and their willingness to do whatever was asked of them. We wanted a reception that was fun and got people up out of their seats and on the dance floor. Tamara and Quiesean were fantastic and so incredibly engaging with our friends and family. Everyone was dancing and we left the reception feeling like we had accomplished exactly what we wanted – it was an entertaining, personal and memorable evening and we wouldn't change a single thing. We would recommend the Newsboyz to anyone and if we had to do it all over again, we would absolutely choose them again. Thank you so much for everything!
